

Indonesian International Vocational Students Mobility Awards 2022

The Indonesian International Vocational Student Mobility International (IIVOSMA) is one of the Merdeka Learning Campus Merdeka (MBKM) Programs initiated and organized by Kemdikbudristek RI which provides opportunities for vocational students to get scholarships to experience a 1-semester study in the universities/industry/partner institutions abroad funded by Kemdikbudristek through LPDP.

This program will open up opportunities to initiate and strengthen cooperation between domestic and foreign universities. This program also aims to prepare the alumni community who have the knowledge, soft skills, cross-cultural understanding, and global networks and synergies for the nation's benefit.
